Robin and Chris,

As far as I can tell, I have received 2 emails on the EPA/DOT Notice regarding the Administrator's announcement to reconsider the Final Determination. They are both attached.

I also have one voice mail, from March 16, 2017 from Kathy Pensinger, from Tuscon, Arizona. She said that she "would be opposed to reducing the emission standards for light-duty vehicles" which are going to be reconsidered. She said we don't need to call her back, but if we had any questions on her views we can call her at Personal Email / Ex. 6

Can we submit the two comments above to the MTE docket?

I'm not sure what we should do with the voicemail, but I still have it.

Thanks
 Bill
